Mary-Clare Smith

MLHD Infection Prevention & Control Lead Overview Training 2022

June 24 and July 29
WWBH Lecture Theatre
1000hr – 1600hr

For more information
contact:

Mary-
Clare.Smith@health.nsw.gov.au

Congratulations on taking on the very important role of the Infection Prevention & Control Lead for your site/ward.

As part of the commencement in this role, the National Standard 3 Infection Prevention Team invite you to attend this 2-Day Overview Training:

24 June 2022:

- Introduction to the Infection Prevention and Control Role and Online My Hub Resources
- Standard and Transmission Based Precautions
- Introduction to the Principles of Infection Prevention in Aged Care
- Alerts
- Disease Specific Index

29 July 2022:

- Cleaning of shared medical equipment
- Waste Management
- Outbreak Management
- COVID-19
- Occupational Exposures and how to manage them
- Specific Issues arising from your area of work for discussion

Tea and Coffee and Sandwiches will be provided

To register your attendance please email Mary-Clare.Smith@health.nsw.gov.au by 5pm Friday 10 June 2022.

This education will be recorded on your My Health Learning (MHL) transcript. To receive a completion mark in MHL you must attend both days of the Overview Training.

Artist: Luke Penwith

Follow Up Survey - For those staff that attended the Face to Face Infection Prevention and Control Lead Training Days June -July 2022 .

IPC Lead Training Day Feedback June- July 2022

12 Months Post Training Follow Up with participants (Even if you only attended 1 day, we would love to hear your feedback)

* 1. Did the training assist you in developing your knowledge of IPC practices? ☺ ☹

- ☐ Yes
☐ No

* 2. What total number of beds does your facility have? ☺ ☹

* 3. In your opinion is less vigilance in infection control required at smaller sites? ☺ ☹

- ☐ Yes
☐ No
