Hospital

# GOVERNANCE:

## **BENEFITS**

Essentially 1 HHS/LHD  
Public services: Epic DHR  
Collegiate relationships

## **OPPORTUNITIES**

Clarification of roles and responsibilities between System Administrator/Manager and acute services

# Future IPC

- Further definition of role of ACT Health Directorate
  - Systems Administrator
  - Public Health
- Strengthening of jurisdictional IPC Network
  - Inc. relationship with Southern NSW colleagues
- Integration of existing Canberra Health Services and North Canberra Hospital IPC teams
